

Studio Directions_Yeovil

For a more peaceful existence, our Yeovil studio – located next to the Octagon Theatre in the town centre – offers the opportunity for a little West Country living.

Yeovil is a thriving market town just a short hop from the Dorset coastline and a host of picture postcard Somerset villages – complete with dangerously high cholesterol levels of cream teas!

Follow the road signs to the Octagon Theatre, and we are directly opposite their main entrance. There is a pay and display car park nearby.
