

Clay Farm Community Centre_Cambridge City Council

ADP was appointed to design a new multi-use community centre at the Clay Farm development in Trumpington, south of Cambridge.

The scheme, which is due to open in 2015, is being funded by Cambridge City Council, Cambridgeshire County Council, Cambridgeshire Police, and Bedfordshire Pilgrims Housing Association. The building will also contain accommodation for NHS Cambridgeshire and Trumpington Street Medical Practice.

The new building will incorporate a community centre; a community café; a youth wing with games area, band & DJ room, and space for craft activities. It will also contain a public library; a health centre; residential accommodation; accommodation for police and social services and other providers; and car parking for essential staff and emergency vehicles with external areas for community use.

Client: Cambridge City Council
Services: Architectural
Contract Value: £8m
Completion Date: 2015
