Delhi NCR

Gurgaon has developed as the commercial hub of Delhi National Capital Region (NCR), primarily due to its proximity New Delhi International Airport and favorable masterplanning by the Haryana Urban Development Authority (HUDA). With Delhi the seat of power in India, over time Gurgaon has become the perfect location for a major part of the capital's commercial needs.

Our studio is situated in the heart of Gurgaon, in close proximity to the HUDA City Centre. In line with our principle of creating sustainable buildings and places, we are located in a sensibly designed, energy efficient building in the quiet Sector-44 institutional area.
