

ADP STUDIO DIRECTIONS

Manchester

Often referred to as the cultural capital of the North, Manchester epitomises a wealth of innovation and creativity that is demonstrated through all aspects of the arts, media and commerce. This thriving city can be characterised by two words: quality and variety. Eclectic in what it offers the modern city dweller, there is no shortage of entertainment due to the city's wealth of theatres, nightlife and superior live music venues. Not to mention the dangerous proximity to a shopper's paradise...
