

## ADP STUDIO DIRECTIONS

London

### How to find us

Our nearest underground tube stations are Waterloo (Bakerloo, Jubilee and Northern line).

If arriving on the main concourse of Waterloo Station; use the exit opposite platforms 4 and 5 and descend the escalators which will take you down to street level and Waterloo Road; then turn right.

The Fire Station is located immediately next door to Waterloo Station.

The entrance to the offices is at the left hand side of the building, off Pear Place, which is accessed through tall gates.

If the pedestrian gate is closed please use the adjacent intercom to call the studio; scrolling first to 'The Fire Station' and then to 'ADP'.

Then, at the front door (to the right hand side of the courtyard), please use the second intercom to scroll to 'ADP' to call the studio to release this door.

Then take the lift or stairs to the second floor.
